RESOLUTION OF ZONING ORDINANCE AMENDMENT RECOMMENDATION

WHEREAS, the Common Council of the City of Fort Wayne, Indiana, on September 22, 1987 referred a proposed zoning map amendment to the City Plan Commission which proposed ordinance was designated Bill No. Z-87-09-29; and,

WHEREAS, the required notice of public hearing on such proposed ordinance has been published as required by law; and,

WHEREAS, the City Plan Commission conducted a public hearing on such proposed ordinance on September 21, 1987.

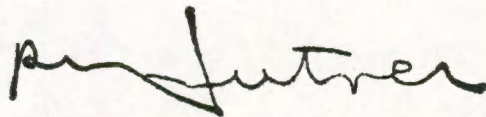

NOW THEREFORE, BE IT RESOLVED that the City Plan Commission does hereby recommend that this ordinance be returned to the Common Council with a DO PASS recommendation based on the Commission's following "Findings of Fact":

- (1) the grant will not be injurious to the public health, safety, morals, and general welfare of the community;
- (2) the use or value of the area adjacent to the property included in the rezoning will not be affected in a substantially adverse manner;
- (3) the need for the rezoning arises from some condition peculiar to the property involved and the condition is not due to the general conditions of the neighborhood;
- (4) the strict application of the terms of the zoning ordinance will constitute an unusual and unnecessary hardship if applied to the property for which the rezoning is sought; and,
- (5) the grant does not interfere substantially with the comprehensive plan adopted under the 500 series of the metropolitan development law.

BE IT FURTHER RESOLVED that the Secretary is hereby directed to present a copy of this resolution to the Common Council at its next regular meeting.

This is to certify that the above is a true and exact copy of a resolution adopted at the meeting of the Fort Wayne City Plan Commission held September 28, 1987.

Certified and signed this
26th day of April 1988.

21 September 1987 - Public Hearing

Michael Walker, petitioner, stated that he is presently using the property for a motorcycle repair shop and wants to open an implement a rental business, which requires a B-4 zoning.

Janet Bradbury questioned if he was aware of that the staff had recommended a landscape buffer against the residentially zoned properties.

Mr. Walker stated that there is a 6 foot privacy fence to the rear, and a fence to the west. Mr. Walker stated that the front is used for a driveway and parking area.

It was suggested that Mr. Walker meet with the landscape staff of CD&P.

There was no one else present who wished to speak in favor of or in opposition to the proposed rezoning.
